1. General Information

BACKGROUND

International Islamic University Chittagong (IIUC) is one of the Government approved Private Universities in Bangladesh. The credit for the idea of establishing this University goes to ISLAMIC UNIVERSITY CHITTAGONG TRUST (IUCT) which is the founder organization and sponsoring authority of the University. This Trust is a non-political, non-profit oriented voluntary organization, registered with the Government of the People's Republic of Bangladesh under the Societies Act XXI of 1860. This Trust felt the need for a University under private initiative in view of absence of institutions of higher learning based on Islamic vision of life in the public sector. Based on an idea, which had its origin in 1990, the Trust discussed the concept of a Private Islamic University with a group of intellectuals, Islamic thinkers, researchers and educationists, at home and abroad. It was these Islamic personalities who came forward to materialize the idea of such an institution by putting together their ideas, energies and financial response. In 1992, they established an anchor organization called Islamic University Chittagong Trust (IUCT). Under the aegis of this body, and by the Grace of Allah (SWT) Islamic University Chittagong got the Government's approval on February 11, 1995 and the University was founded in the same year accordingly. Thus, a long-cherished dream of the people of Bangladesh came into reality.

LEGAL ASPECT

The founding of International Islamic University Chittagong was made possible by the passage of a historic Act of Parliament in 1992 - "The Private University Act, 1992." In the history of the development of the institutions of higher education in Bangladesh, this Act, for the first time created opportunity for establishing of Universities in the private sector, subject to clearance of their academic curricula and syllabi by the University Grants Commission (UGC) of Bangladesh and thereafter, final approval by the Government of Bangladesh.

Having fulfilled the requirements as laid down in the Private University Act of 1992, and after obtaining the necessary clearance from University Grants Commission (UGC), and the permission of Government of Bangladesh (GOB) through the Ministry of Education, Islamic University Chittagong (IUC) started functioning in 1995 with three Faculties, e.g. Faculty of Shar’iah & Islamic Studies, Faculty of Modern Sciences and Faculty of Administrative Sciences.

IIUC framed its own Statutes, Ordinances and Regulations governing the manifold activities of IIUC - academic, administrative, financial, student welfare, discipline etc. as per the Private University Act, 1992 and revised Act, 2010. Most statutory bodies formed under the provisions of the Act have since been functioning.

The Charter of IIUC as framed within the provisions of the Act and as approved by the Government empowers the University to confer degrees in various disciplines.

This card allows the students to gain access to the University facilities such as the use of Library, Computer Lab, Physics & Electronics Lab and other academic services. This ID Card is not transferable. Therefore, this card must be presented at the request of any authorized University official and must be returned to the Academic Affairs Division upon graduation or when enrollment in the University is discontinued. 7. Academic System

7.1 Academic Calendar
Each academic year is divided into 2 Semesters, each having a duration of 15 weeks (5x15=75 working days). There shall be Mid-Term Examination after conducting classes for 6 weeks. After Mid-term examination and conducting classes for 9 weeks, Final examination will be held. Normally Spring Semester commences in February and Autumn Semester in August.

7.2 Registration after Admission
All admitted candidates are required to complete the registration after admission within the stipulated period for the specific semester in which they want to enroll. Students who have been issued an offer of admission may apply to defer the registration for maximum one academic year (i.e. 2 Semesters). The period of deferment will not be included in the total duration of their studies.

7.3 Duration of Study
A Bachelor Program is normally completed in four academic years (i.e. 8 Semesters). However, by registering additional number of courses in regular semesters, students may also complete their studies within a shorter period of time and thus, they may graduate earlier. However, at least three academic years (i.e. 6 Semesters) of regular studentship is required for graduation. A student may also be allowed to complete a Bachelor Program within six academic years (i.e.12 Semesters) including drop period/Semester/s.
7.4 The Credit Hour System at IIUC

To bring the academic system to international standard, IIUC follows Open Credit Hour System (OCHS) based on a quantified curriculum, whereby a certain number of credit hours are assigned to each course. Students are required to complete successfully the total number of credit hours stipulated in the program requirements in order to graduate. The number of credit hours assigned to each course denotes the academic load that a student carries while registering for that course. Therefore, a course that carries three credit hours normally has 3 (three) contact hours per week. However, 3 (three) are courses which do not tally with the contact hours or for which no credit hours have been assigned. Such courses are normally not a part of the main curriculum of the department. These are parts of the University Requirement Courses (URC) such as language courses etc.

7.5 Grading System

IIUC follows the uniform grading system for evaluating the academic performance of the students as given below.

<table>
<thead>
<tr>
<th>Marks (%)</th>
<th>Letter Grades</th>
<th>Grade Points</th>
<th>Remarks/Status</th>
</tr>
</thead>
<tbody>
<tr>
<td>80% or above</td>

</tr>
<tr>
<td>less than 40%</td>
<td>F</td>
<td>0.00</td>

</tr>
</tbody>
</table>

N.B.:  
i. Each student shall have to obtain at least GPA 2.00 in each Semester.  
ii. To have graduation degree, a student must obtain at least CGPA 2.50.

7.6 Grade Point Average (GPA) & Cumulative Grade Point Average (CGPA)

The Grade Point Average (GPA) is computed by dividing the total grade points earned by the number of credit hours attempted in a given semester. The Cumulative Grade Point Average (CGPA) is computed by dividing the total grade points earned by the total number of credit hours attempted at the University up to a particular semester.

Obtained grades do not just reflect their performance in the Semester Final Examination but are also based on a number of Assignments, Quizzes, Class Tests, Case Study and Mid Term Examination etc that are conducted throughout the semester.

7.7 Evaluation System

IIUC evaluates the students' performance as follows:

- Attendance          10%
- Class Test & Assignments 10%
- Mid-term Examination  30%
- Final Examination    50%
- Total                100%
8. Academic Policies and Procedures

8.1 Course Registration

All students are required to register courses by filling up the prescribed Registration Form (available at CoE office) in each semester until they have fulfilled all graduation requirements. Without registration, credits will not be counted. The date and time of registration are provided in the Academic Calendar and a notice of registration is circulated by the Office of the Controller of Examinations. All students must complete their registration within the workload/schedule given in consistence with the range of GPA of the immediate past semester and abiding by the work load policy (Section 8.2). Payment for registration is to be settled as per instalments and periods, mentioned in the notice.

The registration after the deadline may be allowed under special circumstances on payment of late fine of Tk.50/- per day basis. After expiry of normal duration of registration, a specified period before one week of commencement of Mid-Term Examination is declared for registration of unregistered students which is called late registration.

If any student fails to complete the course registration within the deadline (One week before commencement of Mid-Term Exam), he/she shall be considered as de-registered student for that particular semester and consequently, he/she shall be barred from attending any class or examination.

Validity of Registration: Registration of course/s will remain valid for a semester/current semester/specified semester and registration of Project Thesis/Internship/Dissertation will remain valid for two consecutive semesters.

8.2 Academic Advising System and Workload

Under the Academic Advising System every student is assigned an academic advisor by the respective department. It aims at creating an opportunity for closer interactions between the faculty members and the students for supervising students’ academic planning, performance and progress. They may also seek help from their advisors in planning their semester workload, registering courses and other academic activities.

Minimum workload for a regular semester is 12 credit hours or its equivalent and maximum load is up to 24 credit hours. Since IIUC is following the Open Credit Hour System, a student may register the expected number of credits with the recommendation of his/her respective academic advisor and the approval of the Chairman of the Department or the Dean of the Faculty or the Pro Vice-Chancellor as the case may be. But semester workload must be consistent with the range of GPA and the allowed workload policy.

Advisable Semester credit hour load for the Faculty of Shari'ah & Islamic Studies, Business Studies Social Science, Arts & Humanities and Law under Open Credit Hour System (OCHS) based on GPA is given below:

<table>
<thead>
<tr>
<th>RANGE OF GPA</th>
<th>MAXIMUM LOAD ALLOWED</th>
</tr>

<tbody>
<tr>
<td>3.75 - 4.00</td>

</tbody>
</table>

N.B.: Registration of improvement course / Courses, Repeat Courses or internship will not be counted with the total Semester credit hour load.

8.3 Adding and Dropping of Courses

Students may add course /s or drop course /s from the courses that they have already registered. Dropped courses mean cancellation of the registration of the course, whereas added courses are considered registered. To add and drop course /s, prescribed Add & Drop Form (available at CoE office) must be filled up and submitted to the CoE office (as mentioned in the academic calendar or specified by notification) with the recommendation of the academic advisor and the approval of the Chairman of the Department. The total number of credit hours after adding and dropping courses must be 12 CH in adherence with the academic workload policy mentioned above (8.2).

8.4 Withdrawal from Registered Courses

Students may apply for withdrawal of a course /s that they have already registered for. The course withdrawal may be done immediately after the Mid Term Examination (8th to 9th week of the relevant semester). The total number of credit hours after withdrawal must not fall below the minimum workload (i.e. 12 Credit Hours) as specified above. Prescribed Withdrawal Form (available at CoE office) must be filled up and submitted to the CoE office within the period mentioned in the academic calendar with the recommendation of the academic advisor and the approval of the department. A grade "W" is shown for the course which is withdrawn. After retaking the 'W' course, credit will be fulfilled for graduation and 'W' will be deleted from Final Transcript.

8.5 Criteria for Repeating Courses

- 'F' grade course /s must be repeated within the next 2 consecutive semesters. Pre-requisite courses should be repeated on priority basis.
- The Final grade will be computed in the Final Transcript and the previous grade /s will be marked with 'R' grade (as the retake course) which has no effect on GPA or CGPA. 'R' is deleted from Final Transcript before graduation.

8.6 Class Attendance Requirement

Students are required to attend all lectures, tutorials, seminars, lab works etc. of the courses that they have registered for. Normally 70% attendance is required to allow a student to take the semester final examination. The students having class attendance between 60% to 69% will be declared as non-collegiate and they need to pay Tk.500/- per course and the students having class attendance below 60% will be declared as dis-collegiate. They will be barred from attending the Final Examination. They will get 'F' grade in the semester result.
8.7 Dropping Semester/Leave of Absence

A student who requires to spend a period of time away from the University may apply by filling up a prescribed form (available at CoE office) of Semester Drop for a leave of absence stating valid ground for the purpose and length of leave desired (maximum two semesters/ an academic year).
