16 April 2017

2nd Research Colloquium for PhD Students

This is for information of all concerned that Center for Research and Publication (CRP) is going to organize **2nd Research Colloquium** for the faculty members and officials of IIUC pursuing PhD programs at different universities at home and abroad. The Colloquium will be held during **2-3 May 2017** from **9:30 AM to 5:00 PM** on each day at **CRP Conference Room (City Liaison Office)**.

The art of Literature Review, Research methodology, SPSS/SmartPLS data analysis and interpretation will be kept in the presentation schedule of the Colloquium. Qualified academicians from University of Dhaka, University of Chittagong, and IIUC will be invited as Keynote Speakers on different topics. PhD students will find the opportunity to present their research concepts for necessary feedback.

Interested persons are requested to complete their registration in the prescribed form and submit it to the office of the undersigned by **22 April 2017**. Notably, seat capacity is only **35 (thirty five)**. Hence, in case of necessity preference will be given to the USIM PhD candidates and senior research students.
